data10 data09 usernix mc09 mc08

data10 » data10_7TeV » TAG:

May10 reprocessing TAG data collections (sub_total: 19)
data10_7TeV_physics_MuonswBeam_r1299_p161_p160_READ

April10 reprocessing TAG data collections (sub_total: 10)
Select one

First Pass TAG data collections (sub_total: 236)
Select one

All data10_7TeV TAG data collections (total: 497)
Select one

Run numbers (select multiples by holding 'Ctrl' or 'Shift'):
154822
155073
155112
155116
155118
155160

Conditions Metadata for ALL run(s) in the above list is available at [CGMA](#) [WebBrowserReport](#)

Pre-selected collections:
data10_7TeV_physics_MuonswBeam_r1299_p161_p160_READ

Pre-selected runs:
155073,155160
